

Groom Creek Fire District Hazardous Fuels Reduction Project

Homeowners Labor Activities Recording Sheet

Homeowners who are able to mitigate Hazardous Fuels on their own property are encouraged to do so. In fact, your efforts can directly support your community by creating matching funds for the projects that would otherwise not be available. The following is the criteria required for eligibility:

- Removal of Hazardous Fuels identified by Groom Creek Hazardous Fuels Reduction Project Assessment, creation of defensible space or maintenance of defensible space.
- Complete and sign and the provided worksheet, including type of work done, date work performed, and amount of time spent doing work. (Attach copies of any invoices paid to subcontractors)
- Return to Groom Creek Fire Station #41, 1110 Friendly Pines Rd. Prescott, AZ 86303

ACTIVITY PERFORMED	DATE COMPLETED	AMOUNT OF TIME SPENT (in hours)	Amount Spent

I certify that the information I have provided on this form is accurate and the work done has met the criteria as listed above.
