

FIREWISE USA®

Residents reducing wildfire risks

Residents of Groom Creek! Groom Creek Fire District is excited to host the GCFD FireWise day again for 2026! Please join us Saturday, May 23rd for a public education presentation regarding community safety and preparedness for the upcoming fire season, hosted at the fire station located at 1110 E. Friendly Pines rd. Presentations start at 11am and hamburgers will be provided afterwards. GCFD FireWise day is our way of helping keep the community informed, prepared and giving thanks back to you! Firewise assessment and property clean up incentives will be brought forward at the presentation, so don't miss out on ways to make your yearly property maintenance a little less stressful!

Groom Creek has been a Firewise Community since 2005
